### **Experience**

Mr. Brown has over five years of experience in the fields of civil engineering and land surveying and has experience using AutoCAD software. Mr. Brown also has worked in the construction industry and has gained valuable “real world” experience. Responsible for preparing AutoCAD drawings, providing surveying assistance and construction inspections.

Responsibilities include:

- Design of civil engineering projects including improvements such as sanitary sewer collection systems; potable water treatment, storage and distribution; industrial site design; and storm water drainage facilities including retention basins.
- Construction inspection.

### **Education**

Associate, Engineering and Drafting Design 2011, ITT Tech, Louisville, Kentucky

Attended University of Louisville and studied Civil Engineering, August 2007 to May 2009

Graduate Austin, Indiana High School 2007
